Planet Earth Camp

At Arlington Echo Outdoor Education Center, we're eagerly looking forward to our 45th year of summer programming. Please take a moment to browse through this booklet to learn more about our wide variety of summer programs. We take pride in providing a safe environment for learning, making new friends, and building confidence. Each camp is staffed with a combination of certified teachers and enthusiastic junior counselors; it's their job to make sure each camper has a positive, unforgettable experience. We believe every child should have the opportunity to enjoy summer camp, and we offer financial assistance for those in need.

Arlington Echo Outdoor Education Center sits on 24 wooded acres at the headwaters of the Severn River in Millersville, a perfect location for teaching environmental stewardship in the outdoors. It's owned and operated year-round by Anne Arundel County Public Schools and is home to the Office of Environmental Literacy and Outdoor Education.

I'll be happy to answer any general questions about the program, so please don't hesitate to give me a call at 410-222-3822. We hope to see you this summer!

Planet Earth Camp

For students entering grades: 4–6
July 14–17

Planet Earth Camp is a four day, three night residential camp for students that love the outdoors. Through a variety of hands-on activities, campers will investigate the natural environment and will participate in an environmental action project. Every day we challenge our campers to practice sustainable living by conserving water and electricity, reducing food waste, and even cooking a sustainable, locally-sourced meal. And of course our campers will enjoy a variety of classic summer camp activities such as swimming, field games, archery, fishing, crabbing, and canoeing!

Cost

\$400 includes meals, accommodations, activities, and instructional materials.

A \$200 deposit must be included with the application.

The \$200 remaining balance is due upon the acceptance of camp.

Learn to Swim | Students ages: 3–11 years | August 4–8/August 11–13

The *Learn to Swim Program* is an expansion of the Outdoor Education Program's commitment to water safety education. Seven different courses covering a variety of skill levels will be offered. The program objectives are to have students oriented to the aquatic environment, gain and build on basic skills, learn and refine different strokes, and acquire personal safety and rescue skills.

The *Learn to Swim* program runs for two weeks, with eight total sessions.

Staff

Instructors are the professional summer aquatic education staff at Arlington Echo. They are certified in Lifeguarding, First Aid, CPR, and aquatic teaching experience. Cathy Bellarin, Teacher Specialist for the Drownproofing Program, is the *Learn to Swim* Director.

Cost (Prepaid)

\$55.00 for the first child
\$50.00 for each additional child
(8–forty minute lessons)

Application Procedures (page 11)

Note: *Online registration is not available.*

1. Submit the *Learn to Swim Application*.
2. The fee must accompany the application and will be refunded only if the student is not accepted.

Classes are filled on a first-come first-served basis.

Skill Screening

To ensure proper placement of your child in the appropriate class, a screening for each session will be offered. This will be an opportunity to meet the instructors and for the student to demonstrate his or her current swimming ability.

Skill screening times are:

- **Wednesday, June 30, 2014**

Lesson Descriptions

Pre-School Level I (ages 3 and 4)

Designed to develop a comfort level in and around the water as a readiness for learning to swim. It *does not* teach young children to be accomplished swimmers. It *does* provide the parent with necessary knowledge/skills to orient their child to the water. The emphasis is on having fun. **Parent participation in the water is required.**

Pre-School Level II (ages 3 and 4)

Designed for the preschool age child who is completely adjusted to and comfortable in the water. **The child willingly swims under the water and has some swimming abilities.**

Introduction to Water Skills (Level I)

Designed for the true beginner who is afraid of the water. Basic skills (water adjustment, floats, breath control, personal safety) will be taught as students progress through the program.

Fundamental Aquatic Skills (Level II)

Designed for the beginner who is comfortable in the water and has some basic shallow water skills. Students will learn to float without support, recover to a vertical position and begin to move through the water without support.

Level II will also introduce the student to swimming on their side simultaneously kicking and treading water.

Stroke Development (Level III)

Students will learn the front and back crawl, elementary backstroke, treading water, the dolphin kick and proper body position for the butterfly, and diving from the side of the pool.

Prerequisite:

Must have some deep water swimming experience. Student must also be able to independently execute the prone float, back float, crawl stroke, combined back stroke, and swimming on their side.

Stroke Improvement (Level IV)

Designed to increase endurance by swimming the elementary backstroke, front crawl and back crawl. The breaststroke, sidestroke, basics of turns, and the butterfly will be taught.

Prerequisite:

Must be able to execute the front crawl with rotary breathing, back crawl stroke and elementary backstroke, and butterfly body position and dolphin kick.

Stroke Refinement (Level V)

Designed to increase endurance and master the crawlstroke, back crawl, breaststroke, sidestroke, and butterfly. *Prerequisite: Students must be able to demonstrate the skills taught in Level IV.*

World & Classical Languages

El Campo del Bosque

For students entering grades: 1–5

Dates: August 4–7

Time: 8:30 A.M.–3:30 P.M.

From the moment your passport is stamped *entrada* (entrance) by the officials at *inmigración* (immigration), you will find yourself immersed in an exciting world where you will experience Hispanic culture and speak the Spanish language. The goal of *El Campo del Bosque* is to have learners acquire a beginning pronunciation and vocabulary, be able to make basic exchanges in the language, and develop some appreciation of the Hispanic culture. Through word games, skits, music, art, and outdoor activities, children gain an introduction or enhance their existing Spanish speaking skills while learning about the cultures in which Spanish is spoken.

During the course of the 4-day camp, instructors, who represent a combination of both native and non-native speakers, will immerse children in the target language through a non-intimidating yet challenging “Spanish only” environment. Students will experience the structure and sound of the language through the use of phonics, song and writing, as well as upbeat and exciting cultural activities.

Children with no Spanish language proficiency as well as the student who wants to improve his or her language skills during the summer are welcome. Students who attended the camp last year will be grouped in classes so that their learning can continue. A student/instructor ratio of 10:1 will be maintained with each group of 10 children also having a Junior Counselor and at least one Counselor-in-training. **The camp will be limited to 60 participants.** Children will be grouped primarily by their grade levels.

Swimming and canoeing will be offered to students who willingly can swim under the water and have some swimming abilities. These activities will be supervised by certified, English-speaking aquatic instructors at all times.

Transportation

At this time, no transportation will be provided for this camp.

Parents are expected to drop off their children promptly at 8:15 and pick up their children promptly at 3:30.

Cost

\$250.00 (\$100.00 deposit, \$150.00 to be paid upon acceptance.) Financial Assistance Scholarships may be available to students.

Meals

Students will be provided with a culturally authentic lunch and snack each day.

Application Procedures (page 13)

1. Students must complete *El Campo del Bosque Application* form.
2. The school office will supply the SIF number.
3. **A \$100.00 deposit must be sent with application forms** (refunded if the student is not accepted or if the camp does not run. A minimum of 60 campers are needed in order to run the camp.)
Make the check payable to:
Anne Arundel County Public Schools.
4. *Student Application Form*, a *Request for Financial Assistance Form* (page 15), if applicable, and a \$100.00 deposit must be returned by May 31, 2014 (or until capacity is reached). Checks and applications should be mailed to:

El Campo del Bosque
World & Classical Language Office
Jennifer Hernandez
Anne Arundel County Public Schools
2644 Riva Road
Annapolis, MD 21401

Please make checks payable to:
Anne Arundel County Public Schools

5. **Attendance at the camp will be based on a “first-come, first-served” basis.** The deposit will be refunded *only* if the student is not accepted or if AACPS does not run the camp.
6. Selection decisions will be mailed to parents of applicants from the World and Classical Language Office by July 1, 2014.

Follow-up Mailing to Participants

Students who will attend the camp will receive a map to Arlington Echo, a student information form, and a sample schedule of activities for the week.

For more information, call the World and Classical Languages Office at 410-222-5424 or send an email to jhernandez3@aacps.org.
